Validation #:

S60 Non EGR, 2yr/200,000 mile parts replacement only warranty whichever comes first (Long Block Portion of the Engine)

Engines are warranted to be free from defects of workmanship and material under normal use and service. S60 Non EGR, 2yr/200,000 mile parts replacement only warranty whichever comes first (Long Block Portion of the Engine)

Year 1: 12month/100,000 mile warranty 100 % Parts only .

Year 2: will be covered for up to 200,000 miles parts only on the long block portion of the engine which includes ; block, crankshaft, cylinder head, cylinder kits, connecting rods, rod bearings, main bearings, and head gasket.

If you have a parts failure, you can do one of two things: Send us the failed part for replacement, Or you can take it to your dealer and we can send them a copy of the invoice where we purchased the part and get replacement directly with them.

Non Engine Add-On Components such as Jake brakes, alternators, starters, power steering pumps carry a 1 year parts replacement warranty only.

Warranty limitations

Manufacturer is not responsible for failure resulting from owner or operator abuse or neglect, such as: operation without adequate coolant, fuel, or lubricants: over fueling, over speeding, lack of maintenance of lubricating, cooling or intake systems: fuel contaminated or water in fuel, in proper storage, warm up, run in and shut down. Overheating problem causing engine damage is not warrantable. Shut Down systems must be in working order. Warranty is voided if engine shows signs of overheating. Manufacturer does not warranty progressive damage of parts, Main failed part will be replaced only. Deleting the EGR emissions voids the warranty.

Break in oil is to be changed at 2,500 miles or 50 hours. DO NOT LET ENGINE IDLE FOR LONGER THAN 10 MINS FOR THE FIRST 8,000 MILES/150 hours OR RING DAMAGE WILL OCCUR AND WARRANTY WILL BE VOID.
